Join us on **Tuesday, June 29th, 2021 from 2:00 - 3:00pm PT** for the *Medi-Cal Managed Care & CalAIM: Upcoming Policy Updates* webinar.

This webinar is the first of a two-part series that will provide an opportunity for community providers to learn about fundamental aspects of Medi-Cal, Medi-Cal managed care, and upcoming updates as part of California Advancing and Innovating Medi-Cal (CalAIM).

Q: Who is the webinar for?

A: Medical, behavioral, and social service providers, county representatives, and others interested in learning more about Medi-Cal, managed care, and how upcoming Medi-Cal policy updates may provide opportunities to improve outcomes for individuals.

Q: What topics will the webinar cover?

A: The Medi-Cal program and the role of managed care. Information on California Advancing and Innovating Medi-Cal (CalAIM) and its Enhanced Care Management (ECM) and In Lieu of Services (ILOS) initiatives.
