Created by renowned designer Peter Hewitt, FreshCut Paper bouquets are a contemporary, design forward solution to sending flowers and sharing joy all while treading lightly on the earth.

Stunning, life-sized, earth-friendly, pop-up floral bouquets. Far more than a card, our colorful bouquets are a memorable way to celebrate birthdays, holidays, milestones, express thanks, or just "thinking of you". The exquisitely detailed, botanical designs ensure that these colorful bouquets will find a lasting place in every home.

- We plant a tree for every bouquet sold
- A fraction of the carbon footprint of cultivated flowers
- We are a partner with 1% for the Planet
- Flowers & envelope are 100% recyclable paper

Wooden Display #7907
\$20 for set of (2) 3 Slotted
Displays 19L x 6W x 4.5H IN

A sleek and modern solution for displaying FreshCut Paper. Each set comes with two displays, that each have three compartments. Comfortably display six flower types, holding one case of each flower. Sits compactly on a shelf that is at least 12.5" tall. This versatile display can be used on two shelves, stacked in a line, or used in separate parts of your store.
