How Hospitals in District 5 Are Paid

Improving Overall Health

In District 5, some examples of how hospitals meet individual and community health needs include:

- Financial support for a community coalition that works to promote resilience and prevent suicide, substance use, and child abuse
- Funding vision and dental care through a mobile medical clinic that serves underserved and underinsured community members
- A grant to increase CalFresh participation at the Central California Food Bank

In 2024, voters in District 5 voted 60% in favor of improving funding for Medicaid.
