How Hospitals in District 9 Are Paid

Improving Overall Health

In District 9, some examples of how hospitals meet individual and community health needs include:

- Temporary, emergency shelter for people experiencing homelessness and programs to connect them with permanent housing and health care
- Funding to increase access to social services through the 211 Information and referral call center
- Financial assistance for a free clinic to ensure health care access to community members

In 2024, voters in District 9 voted 69% in favor of improving funding for Medicaid.
