How Hospitals in District 11 Are Paid

Improving Overall Health

In District 11, some examples of how hospitals meet individual and community health needs include:

- A center of health education and disease prevention that integrates community health workers who provide cultural and linguistic competency to assist patients with chronic conditions
- Funding for and partnership with a clinic that offers pediatric care in one of San Francisco's most medically underserved neighborhoods
- Participating in a coalition that works to eliminate health disparities in San Francisco

In 2024, voters in District 11 voted 78% in favor of improving funding for Medicaid.
