How Hospitals in District 29 Are Paid

Improving Overall Health

In District 29, some examples of how hospitals meet individual and community health needs include:

- Helping parents and students access substance use disorder, chronic disease management, and food insecurity programs
- Funding to increase access to perinatal services for low-income and underserved, predominantly Latina, mothers at a community clinic
- A 24/7 program for victims who experience sexual assault/abuse, domestic violence, child maltreatment, teen dating violence and human trafficking

In 2024, voters in District 29 voted 71% in favor of improving funding for Medicaid.
